This survey will not require the collection of any personal data.
For this reason, once the questionaire has been submitted, answers cannot be withdrawn. As the answers will not be linked with a participant and will be treated as part of an aggregate.

For more participant information. See the Participant Information Sheet at the link below.

https://static.onlinesurveys.ac.uk/media/account/97/survey/708608/question/participantinformationsheetv2.docx

For images to test the system with.

See this google drive link:

Thank you for completing the survey!

I plan to continue to add information to the website regarding crop defects and expand the number of defects the service is able to detect.

If you have any sugestions for features or notice any bugs. Feel free to email me at:
